

Your Digital Identity - What is it? What do you want it to be?

Frequently Asked Questions (FAQ)

Q: I am not sure how to create my vision. What options do I have?

A: This activity is open to your creativity.

Some ideas are:

- Collage of pictures taken by the student
- iMovie video - audio, video, images created by the student
- Photograph taken by the student representing their digital identity
- Animoto.com video
- Tagxedo.com

The shape, words, colors and fonts used with Tagxedo must be meaningful choices that coincide with the identity stated. Your explanation should discuss why these particular choices were made for your vision.

- Words arranged artfully to create an image of digital identity.
